March 17
Saturday

This event is cancelled. Prince William Forest Park was heavily impacted by the recent windstorm and the rangers say they expect to be closed for safety reasons for a few weeks while they clean up and repair damaged buildings.

Even if you can't spend all weekend or even all of Saturday taking part in the training weekend, you can still come out to challenge yourself with some night navigation, courtesy of course designers Karla Hulett and Gary Smith. Course types and preliminary lengths are now posted below. Please check back here closer to the date for other details, e.g. parking, possible optional (or perhaps required) pre-registration, to be posted soon.
